I understand that year end 1099 will be assigned and mailed to the person or business receiving payout and that this form and W9 match to payee for end of year tax filing. I also understand that LVMS is not responsible for not legible: impossible or hard to read or decipher because of poor handwriting or faded print on this form or my W9 and may cause delay or incorrect end-of-year tax filing.

I also understand that the 1099 report comes from information that Owner/Driver enters and maintains on My Race Pass and LVMS is not able to update, enter, or maintain Owner/Driver information within that system.

I certify that the above information is true, correct, and current to the best of my knowledge:
