Lake View Motor Speedway Rules Tires & Weight

<u>Engine</u>	<u>Tires</u>	<u>Minimum Weight</u>
602 Crate	(Any Tires)	None
604 Crate	(Any Tires)	None
525 Crate	LF Open, Hoosier NLMT3 or AR Pro 2, 3's RR Only	2325
195/Bandits	LF Open, Hoosier NLMT3 or AR Pro 2, 3's RR Only	2400

**Hoosier Tires will be in stock at the track.
(Call Tim at 843-999-4280 to place tire orders)**

Minimum weight amount must be displayed on the driver's side door post.

Hoosier NLMT 4 is a Right Rear Option.

Can only change 1 tire per night before feature.

No Droop Rule in Place (Deck Height Only, measured before feature)

Note: Rules can be adjusted/amended during the racing season for the reason of fairness of competition by track management.

Requested by our late model drivers at the 2025 rules meeting:

New Purse Structure for 2025

(3) Different Late Model Purses: (Payout purse selected will be advertised on weekly flyers before event)

Purse 1) **Support Class Purse:** Local late models can be added as a support class when larger paying purse “touring” series and other class “specials” are on the schedule.

Purse 2) **Headline Purse:** Regular higher purse payout as local late model class is the featured event.

Purse 3) **Late Model Special Purse:** Highest paid out purse for “Special Events” type late model races.
