#### **Late Model Engine Rules**

**602, 604, 525 Crates-** Refer to 2026 Blue Ridge Outlaw Late Model Engine Rules

**365 C. I. Max Limited Motors-** Refer to 2026 CLR Engine Rules or 2025 SBB (**NO** Unlimited C.I.)

#### **Additional Notes and Clarifications**

- \*Steel engine blocks only, (Max 365 C.I.) except 525 Crates.
- \*Minimum weight must be displayed on the driver's side door post for engine package.
- \*Can only change 1 tire per night before feature. (Unless special event tire rules)
- \*Droop rule enforced (except 602/604 seals) violators disqualified to last place, no payout.

**Note:** These rules have been amended for the 2026 racing season for the reason of fairness in competition. LVMS reserves the right to amend these rules as needed for the fairness of competition and to keep the integrity of sport thriving locally. Any alterations from these seasonal rules, such as allowing other tire compounds, roofs optional, fuel burn offs, etc. will be announced prior to any given specific special event, including specific event purse payouts.
