- *Minimum weight must be displayed on the driver's side door post for engine package.
- *Can only change 1 tire per night before feature.
- *Droop Rule enforced (except 602/604 seals) violators disqualified to last place, no payout.

Note: These rules have been amended for the 2026 racing season for the reason of fairness in competition.

LVMS reserves the right to amend these rules as needed for the fairness of competition and to keep the integrity of sport thriving locally. Any alterations from these seasonal rules, such as allowing other tire compounds, roofs optional, fuel burn offs, etc. will be announced prior to any given specific special event, including specific event purse payouts.
