

Tire Rules 2022

Sport Compact	Follow SCDRA Series Tire Rules
Stock V8	Any 8 Inch tire that punches a 55 or harder. We will allow up to a 2 point variance to 53. No Less! (This tire rule valid until June 25 th) NO Grooving, siping or chemical treating. New in 2022- As of August 06, 2022 ALL Stock V8 cars MUST use Towel City Retread Yellow Dot on ALL 4 corners.
602 Sport Mod	Hoosier G60 AND American Racer Mod 3 are allowed at all LVMS regular night events EXCEPT Mid East Modified sanctioned Touring events which are Hoosier G60 ONLY. NO Grooving, siping, or chemical treating.
Street Stock	Hoosier H500 AND American Racer AR500 are allowed at all LVMS regular night events EXCEPT Mid East Street Stock sanctioned Touring events which are Hoosier H500 ONLY. Grooving and Siping allowed, NO Chemical Treating.
Late Model (Limited)	Left Front Open (Any tire) (LVMS Regular night rule) Hoosier Open or Spec 1350, 1600, LM40, Crate 21, Crate 55,70, American Racer 48, 56, Pro 2, Pro 3 are allowed at all LVMS regular night events EXCEPT Blue Ridge Outlaw sanctioned Touring events which are American Racer Pro 2 and Pro 3 ONLY. May change 1 or 2 tires before feature only. (LVMS Regular night rule to be determined at Drivers meeting for each event.) Grooving and Siping allowed, NO Chemical Treating.
NOTES:	If and When and at any time there is a question or a discrepancy regarding tire rules or any rules at any sanctioned touring series events, the series touring rules will override the track rules for that specific event for that evening. Tire brands and compounds may be addressed and adjusted throughout the 2022 race season based on tire availability and affordability from the manufacturers.
