LATE MODEL (LIMITED)

Left Front Open (ANY TIRE RULE) (LVMS Regular Night Rule) Hoosier Open or Spec1350, 1500 LM40, Crate 50, 70 American Racer 48, 56 Pro3 are allowed at LVMS events. REFER to any TOURING SERIES EVENT tire rules before the touring series event for their specific tire rules. May change 1 or 2 tires before feature only. LVMS regular night events rule to be determined at driver's meeting for each event. Grooving and siping allowed. **NO Chemical Treating!**

If any and when at ANY time there is a question or a discrepancy regarding tire rules or any rules at any sanctioned touring series race event, the series touring event rules will override the track rules for that specific event for that evening.

Tire brands and compounds may be addressed and adjusted throughout the 2022 race season based on tire availability and affordability.
